

Implementing an Inpatient Smoking Cessation Program, 2013, 280 pages, Patricia M. Smith, C. Barr Taylor, 1134813260, 9781134813261, Psychology Press, 2013

Implementing an Inpatient Smoking Cessation Program serves as a step-by-step manual for implementing a cost-effective tobacco cessation program for hospitalized patients. Based on the Staying Free program, which has evidenced among the highest cessation rates reported in the scientific literature, this book is the result of decades of research by the authors. Although the book reviews a tobacco cessation program, the process is applicable to most behavioral interventions in acute- or long-term care settings. The book details the administrative responsibilities involved in.
