
For course review on a specific topic, e.g., nutrition and diet therapy nursing, review for NCLEX-RN, and review for specialty training. This resource provides a core content review of the subject in outline format. Each chapter opens with a brief outline, objectives, key terms with definitions, media box with summary of CD and CW content, as well as a pre-test. The pre-test and post-test guide the student through a self-paced review. Other features unique to this resource help further enhance the review process.
